

TRUST US TO PRODUCE SMART WORK

**ACTUARIAL SERVICES & VALUATIONS, RETIREMENT
FUND SOLUTIONS, MEMBER COMMUNICATION &
ADVICE TO BOARD OF TRUSTEES**

1. Who are we?

SRL Actuaries and Consultants (Pty) Limited is an actuarial firm that has been in existence since 2008, and trades under the name AFRICAN ORIGINS Actuarial Solutions.

We are a private proprietary company, registered with the South African Companies and Intellectual Property Commission, registration 2006/016126/07.

The company is also a registered Financial Services Provider with the Financial Services Board, FSP32560.

The business is owned wholly (100%) by Black South African shareholders, with 50% of the shareholding by a Black female South African.

2. Our expertise

Our main expertise lies in the provision of bespoke actuarial solutions and consulting services to corporate entities including employers, retirement and medical schemes, and trade union groups.

Specifically, we provide services in the following broad areas of benefit consulting:

- Secretarial services to the Board of the Fund;
- Actuarial services;
- Risk Benefit related Services;
- Governance related Services;
- Service Provider Management Services;
- Legal Services (updates).

We also provide actuarial advice and services to corporate entities and individuals requiring the placement of capital values on future streams of income or expenditure in a process of assessing various options available to the client. This may range from actuarial valuation of claims for damages, to a determination of the price on selling or buying a business entity or part thereof.

We have been successfully engaged by the following clients, among others, for various projects and consulting services:

- Mpumalanga Tourism and Arts Agency Provident Fund
- Tanker and Forest Worker's Provident Fund
- Municipal Employees Pension Fund
- Imperial Logistics Retirement Fund
- National Union of Mineworkers
- Thebemed Medical Scheme

- Department of Defence
- State Attorney's Offices – Johannesburg and Pretoria

Our actuarial resources include two qualified pensions actuaries and two actuarial analysts.
